A photograph of the exterior of the Museum of Glass building. The building features a prominent, curved glass facade with a diamond-shaped grid pattern. Below this, a concrete base contains a glass entrance. A walkway with a glass railing is visible on an upper level. The sky is clear and blue. The text "Museum of Glass" is overlaid on the concrete base, and a red date stamp "MAY 15 2007" is in the bottom right corner.
